

SHARP

SUMMER HIV/AIDS RESEARCH PROGRAM

Join Our 2022
summer cohort!

APPLICATION DEADLINE:
January 17, 2022

SHARP is an innovative summer mentored research internship and learning experience designed to inspire students from underrepresented communities to pursue further studies and careers in public health-oriented clinical and socio-behavioral HIV research that advance racial equity. [Apply here](https://sharpinternship.org/)

Program Highlights

- Hands-on experience conducting a research project matched to scholars' interests
- One-on-one mentoring from experienced researchers
- Exposure to community-engaged research and public health career options
- Networking & social events
- Engaging workshops led by experts in HIV/AIDS, substance use, mental health and racial equity

Eligibility

- Enrolled in an undergraduate program or community college OR be a recent graduate (less than two years since graduation)
- Legally eligible to work in the U.S.

Program Details

- Paid internship from June 6th-August 12th, 2022
- Based at the San Francisco Department of Public Health and University of California, San Francisco (UCSF)
- Housing and travel stipends for eligible scholars
